DAY 1

Making a Difference

How can you make a difference in your classroom? Think of one person in your class who you can pray for this week. Take time to get to know them a little better throughout the week so you can know how to pray for them. Pick a time each day to pray for them.

ASK God to help you see the needs of people around you and make a difference.

DAY 2

God's Creation

God created so many amazing, beautiful, and unique people and things. What is the most unique thing you have seen? Draw a picture of one of God's unique creations. If you need help, ask your adult to help you look up unique plants or animals that God has created.

LOOK at God's creation to see how much God cares.
